

Prevea Health *Scholarship*

The Adolescent Parenting Coalition is excited to partner with Prevea Health to provide two \$800 scholarships:

- Scholarships up to \$800 each will be given annually to recent graduates or graduating seniors from a high school or alternative high school program in Brown County who has overcome (or is overcoming) significant obstacles as a **parenting or pregnant teen**.
- The individual must demonstrate a desire to succeed in a CNA program. A low overall GPA would not disqualify a candidate since poor grades early in a high school career can be detrimental to a final GPA.
- The scholarship will be paid directly to the educational institution the student is attending. No monies will go directly to the student.
- Guidance counselors, school social workers and teachers can nominate as many teen parents as they believe are qualified for the scholarship.

Nominations can be mailed to:

The Adolescent Parenting Coalition
PO Box 12624
Green Bay, WI 54307-2624

Or emailed to: tdegrave@gbdioc.org

Contact Ashley Flowers at (920) 448-2128 with questions regarding this application.

Nominations accepted throughout the year.

Prevea Health Scholarship Nomination Form

Student Name _____

Address _____

Phone _____

High School/Alternative Program _____ Student ID # _____

Guidance Counselor _____

Phone _____ Email _____
